Respected Sir/Madam,

We, on behalf of Dr. APJ Abdul Kalam International Foundation, successfully conducted 2nd Remembrance Day and the opening of Dr. APJ Abdul Kalam Memorial at Peikarumbu in Rameswaram. AKIF and House of Kalam have conducted 126 events among school and college students in and around Rameswaram.

We have formally decided to kick start the Centre in all districts, pan Tamil Nadu. The foundation has launched the **Dr.APJ.Abdul Kalam Centre for igniting minds** and is fully fledged started many schools in Ramnad district.

The Centre has assigned a nominal fee of Rs. 5000/- a year for the participating institutions. A committee is formed among the students as its members. With the knowledge of their parents and under the able guidance of the teacher in charge, they would participate in the activities put forth. The student committee members would pay a sum of Rs. 100/- per year. ID cards would be provided to the committee members. The enrolled students have the opportunity to participate in **District, Zonal, State and National level Inter competition in future.**

Every year from now the foundation will conduct district level& Sate level competition based on topics related to **Robotics and Science.**

The School who are willing to start the Centre for next academic year can also register now and sends in their details along with the Confirmation letter along with Enrollment charges for the academic year of 2019-20.

This initiative is a wonderful opportunity for the students and a matter of pride for the institution, as both are bound to tread the path of success shown by our People's President.
